Half and Half Cakes

8 inch round serves 6 - 8

10 inch round serves 10 - 12

Quarter sheet serves 12 - 18

Half and Half cakes are two half cakes of two different flavors put together, just like a half and half pizza. These 2 cakes do not in any way mix with each other inside, but our attempt is to make it look cohesive from outside.

Half and Half rates vary according to flavors selected. Below is a list of a few popular flavors frequently ordered. Half and Half cakes are only available in 8 inches and above size. Add 5\$ more for eggless. Not every combination can be made eggless. Ask for prices if the combination that you want is not in the list
